St. Pete city council meeting, December 20, 2007

Perfect Game!

America's first public court is celebrating the 10th anniversary of our approval for the additional funds from the City of St. Petersburg. On December 20th, 2007, the City Council voted 7-0 to approve the Weeki Wachee funds to complete the court, thus completing the project Paul Kubala, Tom DeMint and Jeff "Laca" Conway had started.

Bill Foster & Paul Kubala (on left)

Lets Get Started!

The whole event started with Paul "Castanos" Kubala (second from the left) shown here with then City Council member Bill Foster (far left), who along with Tom DeMint persuaded the Edgemoor Neighborhood Association to move forward on the court approval with the City of St. Petersburg. Then mayor Rick Baker is next to Castanos, who was presented the "Innovation and Persistence Award". Since the court was built, over 10,000 league sanctioned games have been played over the 10 years.

The first pelota today will be thrown out by Bill Foster who was responsible for getting this court approved by the St. Pete City Council. Thanks Bill!
