NJAA/st. Pete Jai-Alai

Welcome to the NJAA 7th Anniversary Event!

We thank you for coming to the NJAA 7½ Anniversary Event! Your support of jai-alai is grateful as we are trying to save the sport we all love so much. This was put together at the last moment when he got confirmation that jai-alai ambassador Benny Bueno, current Miami jai-alai star frontcourter Tico, and NJAA favorite Jai-a-Lou were coming up from Miami for a "jai-alai vacation"!

Unfortunately, the godfather of our court, Paul "Castanos" Kubala and his superstar son, Kyle, will not be able to join us today as they had previous commitments. However, 23 players will be here today in what promises to be the most exciting jai-alai ever played in the nearly 30 years of live action here. Keep an eye open for several ex-pros that will be making an appearance also.

With Tampa Jai-alai possibly reopening, a private jai-alai court under plans in Seminole, our Puryear Park court (which was the first public jai-alai facility ever built in the USA), two of the largest jai-alai museums in the world located here, and Dania Jai-alai reopening later this year (with Benny as the players manager & operations director), jai-alai is making an amazing comeback!
