Donations Needed to Keep St. Pete Jai-alai Alive!

The NJAA has worked hard to keep our St. Pete Court going with this huge renovation that is just about completed.

We are still short about \$3,000 to cover our share of expenses to the City of St. Petersburg in our joint adventure. Anything you can do to help out on would be greatly appreciated.

We have a Contribution Booth located next to the Announcers Table.

Cash or Venmo Accepted!

We need people to dig down deep and contribute to this incredible renovation we have embarked upon.
